Linguistique: morphologie-
lexicologie - TD

TD

18h

Description

Responsable : Raluca Nita

This course will provide an introduction to the following aspects of the study of English “words”:

- morphological analysis (how complex words are built from other words and morphemes);
- contrasting English and French word-formation patterns (affixation, compounding, conversion etc.);
- phraseology (multiword units, collocations, words in their context).
