Présentation

Description

This is an introductory course in corporate restructuring taxation. It complements the M1 course in general taxation and focuses primarily on complex corporate restructuring transactions (mergers, splits, partial transfers of assets). Finish Exam If this course is chosen by drawing lots between 2 subjects among the 6 subjects of UE2, it is monitored knowledge 2 hours at the end of the semester. In this case, it counts for 50% of the average mark obtained for UE 2 Investment & financial engineering.
