Présentation

Description

Students will have to complete a semester of ERASMUS exchange or a six-month internship in the second semester of M1 MCI. For students who opt for ERASMUS mobility, course validation is mandatory. For students who prefer to do an internship, a Technical note and a Video defense (3 minutes) are to be validated. The Technical note is a written document, 4000 to 6000 words, aiming at proposing a response to a problem related to the company. Professional writing is expected.
